§ 12.02-29 Expiration of existing merchant mariner's documents.

The expiration year of a merchant mariner's document issued without an expiration date is calculated by adding 5-year increments to the issuance date of the document, up to the first applicable year falling between 1995 and 1999, inclusive. The day and month of expiration are the same as that of issuance. Table 12.02-29 is provided as an aid for calculating the expiration date of a document issued without an expiration date. A merchant mariner's document is not valid for use after the expiration date calculated under this section, but may be renewed in accordance with the requirements of § 12.02-27.
